Dear Friend,

It's a hard year for the Alaska Hunter Jumper Association, Inc. Last year, we supported the hunter/jumper community and added a second horse show, however this year it is left us without enough money to have our 40th Annual Alaska Hunter Jumper Association Horse Show. We are optimistic that through our friends we can raise enough to have our horse show, and have donations for Kids' Kitchen! Our 40th show is tentatively scheduled for

August 3-6th, 2017
William Clark Chamberlin Equestrian Center
Ruth Arcand Park
3900 Abbott Rd Anchorage, AK 99511

The Alaska Hunter Jumper Association, Inc. is a 501(c)(3) non-profit organization consisting entirely of volunteer members. Each summer, AHJA has put on a horse show that offers hunter, jumper, equitation and novice classes. Riders of all ages come from throughout Alaska to participate. AHJA is the oldest organization providing nationally rated Hunter/Jumper shows in the state of Alaska.

AHJA puts on a great horse show, but it is also a show with a **purpose**. Each year, we select another worthy non-profit organization to sponsor with our show. We then donate all proceeds above the show expenses to that organization. Our past shows have raised funds for The Stone Soup Group, AWAIC (Abused Women's Aid In Crisis, Inc.), the Salvation Army's McKinnell House, The Eva Foundation, Facing Foster Care in Alaska, Dare to Care School Lunch Program and many others.

Our 2017 show will benefit **Kids' Kitchen!**

Kids' Kitchen is a nonprofit organization based in Anchorage, AK dedicated to providing nutritional meals for children at no cost. With over a million meals served with love since 1996, Kids' Kitchen is starting to see the first children they served grow into young, dynamic adults. Love works for our community, our nation, and our world. Please join us in helping Grandpa Elgrin of Anchorage, Alaska, in supporting the youth through providing healthy, hot food for kids and making life better by taking care of children who will one day care for us. It is not charity; it is investment. Visit www.kidskitchenak.com or call 907-274-8522 to learn more about Kid's Kitchen!

In 2017 AHJA Charity Challenge will be another Ride A Buck class with donations going directly to Kids' Kitchen.

Inspiration

Asleep in his Anchorage apartment, Elgin Jones heard a loud voice say, "Feed the children!" Most folks would have rolled over and forgotten all about it by morning, but for Jones, the August 1996 dream was truly a wake-up call. Within 2 weeks, the childless retired newspaper editor had contacted a recreation center in the poorest part of town and started cooking nutritious free meals for children funded out of his own pocket.

"I don't force kids to eat vegetables; I persuade them," says Jones, now 73, who has served up almost 2 million meals so far. "I make tuna casserole with peas so good they forget the peas are in there!"
